Thank you, Cari, for another set of excellent minutes!

Now that I see them, it becomes obvious that altho it was suggested early in the meeting that we vote on authorizing Tracy to hire sub(s) at \$8/hour to make up Lindsay's hours as needed, I said we'd do it when we got to New Business then I completely forgot.

However, I recall previous occasions where directors hired people and then we approved them at the first board meeting after their hiring, so I think Tracy is still good to work on seeking good candidates for this and we can approve as appropriate at our special meeting on May 6.

I apologize for not putting this for a vote promptly at our last meeting. ><
