#### Committee Updates

- Expansion/Renovation  
Anne Davis reported that the NYS Division of Library Development deadline extension for completing building projects expires at the end of June. Our work is only  $\frac{3}{4}$  done as we have been waiting for delayed supplies to finish the job. Anne Davis plans to contact the architectural firm and contractor and to also talk with Casey Conlon at MHLS to discuss what can be done so we don't lose any funds.
- Budget / Finance – no report
- Civil Service – no report

- Personnel / Policy – no report
- Covid19 Service Task Force – no report

### **Old Business**

- IRS issue Resolved  
Anne Davis related that, in 2018, there were some missteps as we changed financial systems. Some withholdings were not done correctly (with the July 2020 board minutes giving some detail on this). Hence, we owed the IRS. Our corrective payment was just remitted.
- VOTE: As Covid data improves and staff are unpleasantly challenged by some patrons, the mask policy was reviewed. Anne Davis moved, and Allison Organtini seconded, the approval of a revised mask policy that masks are no longer required except for 1:1 consults as requested by staff. It was noted that masks and hand sanitizer will still be available, and computers will continue to be sanitized after each use. The motion passed unanimously.

### **New Business**

- VOTE: Anne Davis moved, and Rita Joyce seconded, a motion to accept the 2021 Annual Report to NYS. The motion passed unanimously.
- VOTE: Anne Davis moved, and Jason Kovacs seconded, a motion to go above the NYS Tax Cap of a 2% increase in the 2023 budget, if we so choose, when we develop the 2023 budget. Anne Davis noted that 2/3 of the board must approve this. Guidance is below and was shared at the meeting. The motion passed 6/6 via a roll call vote.
- Appreciation was expressed for the work of Lauren Hommel, library election clerk, who will be unavailable to continue in this role. We are seeking a possible candidate who must be a Town of Ulster taxpayer.
